About

William S. Woolverton, M.D., FACC, FSCAI, is a board-certified general and interventional cardiologist in Venice, FL, who specializes in the treatment of cardiovascular diseases as well as the catheter-based treatment of coronary disease.

Dr. Woolverton graduated from Tulane University School of Medicine in New Orleans, LA, and then completed his internship residency at University of Texas Southwestern Medical Center in Dallas, TX.

Dr. Woolverton went on to complete a fellowship at the University of Florida Health Science Center in Jacksonville, FL, followed by an interventional fellowship at Dubois Medical Center in Dubois, PA.

Dr. Woolverton's knowledge and experience with cardiovascular disease, combined with his commitment to each patient's well-being, makes him an excellent addition to Gulf Coast Medical Group's growing community of healthcare professionals.

To schedule an appointment with Dr. Woolverton, please call Gulf Coast Medical Group Heart & Vascular Center (located just north of the Island of Venice) at (941) 497-5511.
